		GRADE 3 EQAO MAY 28-31				

Attention Parents! Brock University researchers are coming to our school!

Our school has agreed to participate in a study called the Brock-YMCA Child and Family Development Study. The purpose of the study is to understand the process of youth and family development, and the factors that contribute to positive development for children, youth, and families. For the study, both students and parents are invited to participate.

In the next weeks, your child will bring home some materials. These include an information letter about the study, a survey for parents, and a letter asking for your consent for your child to participate in the study.

If you participate, you will be eligible to submit a ballot to win one of three prizes available for our school:

- (a) a Kobo Vox e-reader;
- (b) a week at a YMCA day camp;
- (c) a birthday party hosted at the YMCA.

Anyone who returns a completed consent form and parent survey will receive a ballot for the draw!

If you have any questions at this time, please contact Mrs. Fera-Massi
