

Canada

By: Eniko N.

My home:

A place where freedom is relevant,  
The birds can sing their songs,  
The religious people can pray their prayers.

My home: Canada

My justice:

A place where justice can be made,  
No bombs, no threats, no deaths,  
No one forced to go to war,  
No one left alone, away from their loved ones

My justice: Canada

My life:

A place where we can grow and learn,  
Trees spreading their branches above us,  
Fish swimming below,  
A school to learn in to help clean up our home,  
A hospital to heal in when we can't on our own,

My life: Canada

Canada:

A place where we all strive and succeed,  
Together we can all believe,  
Never worried, never fretted,  
We can be who we want to be,

Forever, our Canada
