Read Across Canada!

For Canada's 150th birthday, the **TD Summer Reading Club (TD SRC)** invites kids to celebrate what makes books, libraries and Canada great, by encouraging them to open up to new ideas, new characters, new landscapes, and to one another.

The TD SRC is **free** for children ages 2 to 12. The Club is for children of all abilities. Pre-readers and children with print disabilities receive their own version of the notebook.

This summer earn province BragTags® (pictured) and beads for every book you read, to make your own Canada 150 souvenir! Read and report on ten books by August 14 and you will also receive an invitation to the final party! *New* – read a book with over 150 pages and it counts as two books!

Registration and book reporting start on **Monday July 3**. You can report on your first two books when you register!
