

NIAGARA CATHOLIC
DISTRICT SCHOOL BOARD

Thursday, February 1st, 2018

Dear Parents / Guardians of St. Elizabeth Catholic Elementary School:

As you are aware, on November 29th, 2017, the Board of Trustees of the Niagara Catholic District School Board received a letter from the Trustees of the District School Board of Niagara to consider supporting a proposed joint-use elementary school between St. Elizabeth Catholic, Winger and William E. Brown Public Schools.

In a letter to the parents / guardians of students at St. Elizabeth Catholic Elementary School students on December 20th, 2017, you were advised that you would be fully engaged as the board considers whether to move forward in investigating the possibility.

To that end, parents / guardians are invited to provide input on the proposed joint-use school for the Board to consider at a Community Consultation Meeting at St. Elizabeth Catholic Elementary School on Thursday, February 15th, 2018 at 6:30 p.m. in the gymnasium.

Parents / guardians unable to make the meeting are invited to provide input online through the Board website niagaracatholic.ca under the Accommodation Planning tab – St. Elizabeth Consultation, until Wednesday, February 21st, 2018 at 4:00 p.m.

Input from the St. Elizabeth Catholic Elementary School community will be provided by Board staff for Trustee consideration at the Tuesday, February 27th, 2018 Board Meeting at the Catholic Education Centre at 7:00 p.m.

As we work through this process, we will continue to keep all families of St. Elizabeth Catholic Elementary School informed.

Sincerely,

Ted Farrell
Superintendent of Education - Planning

Yolanda Baldasaro
Family of Schools Superintendent

cc. Board of Trustees, Niagara Catholic District School Board
John Crocco, Director of Education, Niagara Catholic District School Board
